What to do?

- Identifying potentials at faculty or program level
- Canvassing for faculty members – Identify, contact, and make initial approach for internationalization
- Meeting for Brainstorming: faculty exchange & student mobility, guest lecture, Internationalization at home (i.e. providing courses in English)

Do you have a database of academic staff as potential resources for internationalization?

Faculty Mobility – Visiting Faculty

Six visiting professors to handle UST Graduate School courses for ELS, Health Research

The University of Santo Tomas Graduate School (UST GS) is currently hosting six visiting professors from Australia, Singapore, and Indonesia who are leaders and experts in the fields of English Language Studies and Health Research. They will handle at the USTGS for Term 2 of A.Y. 2021 to 2022.

Dr. Kobie Boshoff

Dr. Kobie Boshoff

Dr. Steven Milanese

Dr. Anita Lie

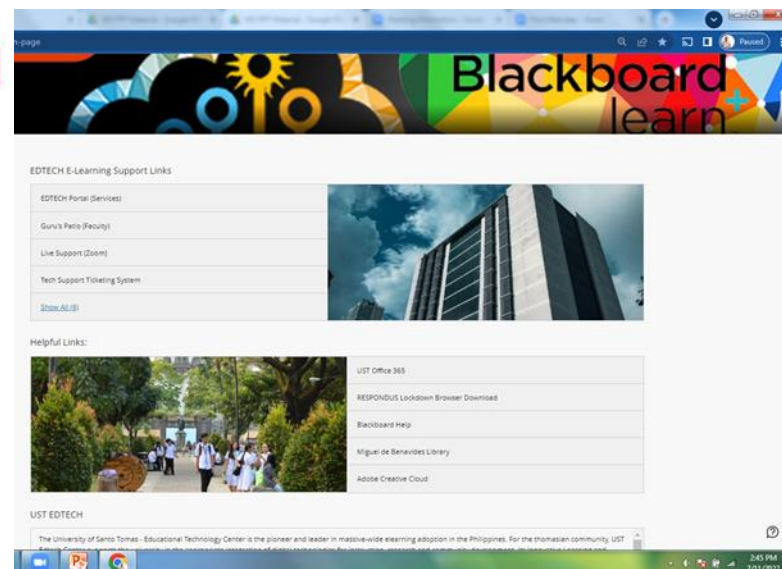

Dr. George Jacobs

Dr. Mateus Yumarnamto

To handle courses under the Health Research Program are Dr. Helen Banwell, Dr. Kobie Boshoff, and Dr. Steven Milanese. Dr. Banwell, who is based in Australia, holds a Ph.D. degree from the University of South Australia. She is a lecturer, course coordinator, Second Year Podiatry Program Coordinator, academic integrity officer, member of IIMPACT for Health (Paediatrics stream), co-director of the International Centre for Allied Health Evidence (iCAHE), and an Academic Level B in Allied Health and Human Performance at the University of South Australia.
